MWAB UPDATE SEPTEMBER 2026

UGANDA'S TIME

God is multiplying MWAB's work in Uganda - Basil and team have had 14 1-week courses so far this year and new trainers are being prepared as they walk alongside the Kenyan team. Are you willing to partner with us for this opportunity? We envision a training of trainers in Uganda soon!

Testimony: *"I didn't know that through play children communicate; I am always harsh and tough even on my children when they are playing, I always want children to stay indoors especially my children but through this training I have learned that I can kill something good inside children when I don't allow them to do what is making them happy. In Devotion God has been told me to put all the titles I have aside and to be humbled, have the heart of Jesus, love children, listen to them, and create quality time with them. May God help me. Thank you."*

KENYA COURSES

Many trainings and leaders advocacy courses were held all over Kenya in August, from Teso in the west to Mombasa in the south. Kibera held 3 separate courses over several weekends.

ELDORET

Report from Walking With Wounded Children course: *"It was more than just training it became a journey of healing, learning, reflection, and gaining practical skills. Participants were deeply touched by the experiential and interactive way the training was delivered."*

A good number of the participants were school teachers working directly with children, and many shared how they intend to apply the skills they gained in their families, workplaces, schools, ministries, and communities.

We are grateful for the testimonies, the openness of the participants, and everyone who made the training possible."

TANZANIA TOO

Miriam and I had the privilege to train trainers at a children's home in Mwanza. We reached out to the surrounding community. Neighbours are delighted to be brought together during the outreaches. Imagine? They were living next door to strangers.

Collins and Godfrey are again in southern Tanzania for their 6th (of 10) course this year working with a trainer, Zabron, whom we trained last year.

THANK YOU FOR YOUR SUPPORT WHICH PROVIDES FARES AND SUPPLIES TO MAKE THE COURSES HAPPEN.

PLEASE PRAY FOR AN OUTPOURING OF THE HOLY SPIRIT AS OUR FACILITATORS ENGAGE CHILDREN'S WORKERS AND CHILDREN IN THEIR ACTIVITIES.

PLEASE ALSO LIFT UP THE TEAM AS WE PLAN A TRAINING FOR TRAINERS IN NOVEMBER
